PUBLIC ADVOCACY

Youth Civic Bridge

Advocacy Mentorship Program

Learn one-on-one from mentors how to speak up where important decisions are made: at city council meetings, school board meetings, the state legislature, and beyond.

What You'll Do

- Speak at school board meetings
- Testify at city council
- Present to local officials
- Write to community leaders

How It Works

Week 1 — **Kickoff.** Explore forms of advocacy, pick your topic, meet your mentor.

Weeks 2-4 — **1-on-1 mentoring.** Research, study real examples, practice your speech.

Then — **Present for real.** Present in front of people that can create change and advocate for your opinion.
